

**REMARKS**

Applicants thank the Examiner for the courtesy of a telephone interview on December 1, 2009. During the telephone interview, the Examiner suggested that Applicants file a Supplementary Amendment to amend the title to “TELEPHONE SERVICE VIA NETWORKING.” As discussed, such an approach is in conformance with both the specification and allowed claims (e.g., claims 33 and 43) as provided for in MPEP 606.01. There is no new matter issue.

Accordingly, Applicants submit this Supplementary Amendment under 37 C.F.R. §1.312 following the Notice of Allowance mailed on November 2, 2009, an Amendment after Notice of Allowance filed on November 10, 2009, and a Response to Rule 312 Communication dated November 25, 2009. This Supplementary Amendment replaces the previous Amendment After Allowance filed on November 10, 2009, with the issue fee.

Pursuant to the interview with the Examiner, entry of the Supplementary Amendment is respectfully requested.

Dated: December 4, 2009

Respectfully submitted,
